Here Be Dragons: The CF Sculpture Series Book (Beyond Projects)

Synopsis

Here Be Dragons is the 10th anniversary revised and expanded edition of the first book in Beyond Projects: the CF Sculpture Series! The step by step format clearly explains the process of creating dragons from polymer clay. With detailed pictures and engaging instructions, making dragon focal beads, pins and sculptures has never been easier or more entertaining. In Here Be Dragons you will also learn how to add pearls, stone, glass beads and even crystals to your dragons. This technique adds a whole new level to polymer clay. This book will charm you with humorous dialogue, creative suggestions, interesting asides, lavish pictures, and even a few dragon 'personality profiles'. It's more than just a project book, it's fun!

Customer Reviews

Great book! This author is very detailed in explanation I collect her books because they are all equally good. She has so many fun ideas

Awesome book of projects! It makes creating dragons fun and easy.

Really cute designs and easy to follow instructions

Love it
