Synopsis

Have fun with paper mache! Learn everything you need to know about paper mache!â The Ultimate Guide to Learning How to Make Paper Mache Sculptures, Animals, Wildlife and More! This book is for people who want to learn paper mache. The art of paper mache is a fun and inexpensive activity to carry out with your friends and family, and especially with your children. It is also a great way to express your inner creativity. This type of art allows you to let your imagination run rampant while getting messy with glue and paper. You do not have to have artistic skill on par with Picasso or Michelangelo to be able to participate in this variant of art. Paper mache is friendly towards those who feel like they donât have an artistic bone in their body. Itâs not about creating magnificent sculptures that result in people gaping in awe rather it is about having fun and letting your imagination run wild. If your paper mache dog looks more like a cow then so be it. Itâs your dog-cow hybrid thing that you made with your own two hands and you should be proud of it and not shamefully hide it in the darkest dwellings of your closet. You will learn so much about paper mache. In the first chapter, we will kick things off by gifting you with the tools of the trade. We will list the necessary equipment that every good paper mache novice should be familiar with and also the two chief methods used during a typical paper mache session. Once you have the paper mache basics down, it is time to start creating. Each chapter in this practical concise book will be thematic, meaning each chapter will be dedicated to a specific paper mache theme. This book includes several different types of animals, masks that will look great on your own. By the time you finish reading this book you are going to be able to paper mache a whole host of cool things. So if you get a sudden desire to start to paper mache cutesy and unique little shapes that look great around the home or wish to make a homemade mask for a special occasion, be sure to read this book. This craft is a great skill to learn and also to share, particularly with your children as it is fun, productive and an excellent way to express your individuality. Customer Reviews

The lack of pictures and better descriptions left a lot to the imagination for an instructional book. The paste and clay recipes were nice.

very basic instructions, would have preferred more detailed ones. Would not buy again

Book loaded onto My book app just fine. It opened and worked well. But a month later when I went to use it, it wouldn't load and now is just a icon nothing else. Could you please send me a link to reload a good copy of the ebook or just send a a hard copy of it to my address. I liked the information provided in the book it is real simple and basic for the beginner .Thank you Louise M
