Suddenly talons wrapped around Sunny's snout and shoulders and she was yanked into the dark trees. Book five of Wings of Fire, The Brightest Night, starts out with Sunny getting kidnapped by NightWings. The dragon tribes live on Pyrrhia, a land divided into tribal lands. Sunny is a little golden dragon from the SandWing tribe. She is very optimistic and always thinks things will turn out for the best. She is clever and funny. Sunny makes friends with everyone, even those who might be her enemies. She is good at persuading others to follow what she says. After being kidnapped from the rainforest, Sunny hears the NightWings' secret plan to sell her and her friends, who are dragonets of destiny. She escapes and follows them to make sure their plan fails. The NightWings go into the Scorpion Den, in the Sand Kingdom. They want to meet with Thorn, the leader of the city, to contact a buyer for Sunny and her friends. Sunny follows them into the city. Thorn doesn't like their plan and throws the NightWings in prison. Sunny finds out that Thorn is her mother, but is soon captured by Adix, who is a traitor of Thorn. He takes her to the evil queen, Burn. Thorn attacks Burn's stronghold with a small army, letting Sunny escape. Sunny meets up with her friends in the rainforest. They devise a plan to stop the war raging between the dragon tribes

and choose the new queen, as the prophecy says, and try to figure out the mystery of the murdered Queen Oasis. This book has a good message about not letting someone lay out your life for you, that you can choose your own path. Sunny and her friends are believed to be the chosen dragons of a prophecy and at first feel like they have to fulfill the prophecy. But, they find out the prophecy isn't real and that they don't have to follow the prophecy.
