2013 US Calendar - Daily Planner And Organizer, Websites And More For Kindle Users

Synopsis

2013 US Calendar - Daily Planner and Organizer, Websites and more for Kindle Users After top ranking 2012 US Calendar (Top 14th on the free list in December 2012), now the Calendar's 2013 version is available! The 2013 US Calendar is likely to be made the second-to-none Kindle-friendly calendar available online by its platform now brought to perfection, its note taking and highlighting possibilities and its numerous useful Kindle-friendly web address links. It is simple and quick to use, months with federal holidays are immediately seen and each week is connected to the Google Calendar through its link. Look at the pictures in customers' images (under the book's cover picture): here you can see some sample pages from the calendar, together with explanatory notes. A few important highlights of the calendar:- Each month has a page of its own with a photograph and the week numbers link to the address of that week's Google Calendar address.- Note taking and highlighting possibility for each day - " you can also save your notes and highlights onto the server of (see the book's detailed, illustrated documentation).- Each month displays the given month's federal holidays and there is a separate page that shows all these days together (the notable days).- Quick navigation between months: all the months and the table of contents can be directly accessed from the page of each month.- Also contains the full year's calendars for 2013 and 2014.- Through the links at the top of the page, you can directly access the Kindle-friendly version of some important websites, namely: Gmail, Gtask, Facebook, The Weather Channel. In the same place, the "MORE" link will direct you to a book address where you can find an additional 21 useful websites:- Portals: AOL, Windows Live, Yahoo- Social Networking Sites: Pinterest, Twitter, LinkedIn- News: Yahoo news, ESPN, Cnet- Business & Finance: The Wall Street Journal, Ebay, RetailMenot (coupon site)- Information: Answers.com, BibleGateway, Wikipedia- Entertainment , Travel: IMDB, Orbitz, Google Maps- Games & Apps: Online Klondike card game, Solitaire and Getjar (Kindle Fire apps & games)- Kindle Stuff: Kindle Users Forum (rss feeds), Gutenberg Project (Free books), Quick Links Important Notes: With Kindle Touch and Kindle Keyboard: please use font size 3 (this is the default value), the use of larger font sizes is not recommended (see the book's documentation). This calendar is an e-book with a complex layout: please do not use it with mobile devices with a small display, like an iPhone. Please note that this is an e-book and not an active content (or an app).

in Kindle Store > Kindle eBooks > Business & Money > Education & Reference > Business Skills

Customer Reviews

I wanted a calendar for both my Kindle and my Anroid phone that featured not only each individual month but one that also featured the entire year at a glance. This app, with a GREAT price of just .99, certainly filled the bill and totally met my expectations!Would definitely recommend it to others!Michael Garee

My husband and I have had a Kindle for book reading for a couple of years. This Christmas we purchased a Kindle Fire. Whatever we put in one transfers to the other two so it is easy to keep up on what we have going on.

Exactly what I was looking for. Calaendar with planner and contacts. Could not ask for more. It IS more like a daily planner. Perfect!

NOT for the Kindle Paperwhite. Formatting is all off. I thought it was a calendar you could keep appts, etc. Not so; just months with dates all over the page, in no particular order. I'll have to try the next one out before I buy.2013 US Calendar - Daily Planner and Organizer, Websites and more for Kindle Users

I can't figure out how to work this thing, it is not simple. You must download this and that, i do not want all that on my kindle. I just want to look at the calendar add a note and move on. This is not that type of tool.

I need a planned so to make my life easier and this seemed to be the best one for the price

I like the extra links it has to access various helpful tools and websites. The only bad thing is that the calculator is online, so you're out of luck when your out of range.

Great online calendar to plan out your schedule and be able to print it off for use when one is not on the computer. I haven't totally explored all that it can do.
