Trucks And Off-Road Vehicles

Synopsis

Trucks and off-road vehicles have been a part of the driving experience since the earliest days of motoring. From the World War II military Jeep to today's popular SUVs, Trucks and Off-Road Vehicles provides a detailed review of these rugged vehicles from American, UK, European manufacturers. Each vehicle is presented in 5-view format, with key engineering changes and features called out. A spec box lifts the hood to focus on each vehicle's unique powerplant, while informative and lively text details the car's development and design. - Each vehicle is presented in 5-view format, with key engineering changes and features annotated- Spec box lifts the hood to focus on each vehicle's unique powerplant- Informative and lively text details the truck's development and design.
