Customer Reviews

This is a relatively new version of the Schirmer Library's 24 Italian Songs and Arias, etc, with four added songs; its chief attributes are the clean imprint, the new keys available, and the information included on the song and composer, the word by word translation and the IPA transliteration. The only objection I have is the computer generated bar lines that make it more difficult than it needs to be to discern slurs and ties, etc. for young students. All in all, an excellent purchase.
