Customer Reviews

I will be performing in my first opera with SDOpera, & this score is absolutely beautiful. The print is lovely & the translation pretty good. I've already filled it with plenty of marks. It shipped quickly, it was affordable, & I am pleased with my purchase!

It's a great score, although I don't like the translation in it. I wish it was a word for word, I don't really understand the point of the English being larger than the Italian print either. It took a lot longer than I thought it would to get to me :-\.

The price couldn't be beat! I am a Prime member so I think I paid a dollar or two more for the score I got but that free 2 day shipping makes the cost worth it! I got the score in ample time. There is an English translation in this score (I was disappointed in that fact...) and the Italian is italicized underneath the English which can make it hard to read in some parts. No other issues! Great copy! I have my own translation added in as well.

It's a very good score. My only complaint is that the English is above the Italian lyrics. This is an Italian opera and the Italian should be on too. It makes it confusing to read considering this is

mostly performed in the original language. Other than that, it's a good score.

watch out for this score mistake: . There's a C-flat missing when the sisters sing "nel mondo era ricchissima"

There was a tear in the binding that cut into about one third of the score's pages.C E M
