# Labrador Retriever Dog Training & Behavior Book

## Synopsis

Raising your Labrador retriever will be much easier after you listen to this audiobook. With this guidebook, you will be able to understand why your dog does some of the silly things they do, and also you will be able to correct their bad behavior very easily. You will learn about biting, jumping up on people, food aggression, separation anxiety, fleas and ticks, housebreaking, and so much more. You will learn how to live with your Labrador retriever, and how to make him or her a very good family member who you can trust and love. Learn what the best type of dog food to feed your Labrador is, and teach your dog to let them know you are the pack leader, not them. You will learn how to make your dog a trusted member of the family and not have to worry about them making trouble or getting into trouble, and so much more!

## Customer Reviews

There are some good points in this book, but the form of it is only topical. Every paragraph is enclosed in quotation marks, giving the appearance of a pastiche, a hodge-podge of parts derived from the works of others.
