## Customer Reviews

Great quality. Works perfectly for my soft cover Bible. Provides great convenience and protection for my Bible when taking it to church, Bible study, traveling, etc. I've looked at several book covers at our local religious book store but none of them worked as well as this one, especially having a soft cover Bible. Highly recommended.

The item shipped yesterday and I am very pleased. The design is so nice and the product looks exactly like the photo. There is even a pouch on the bag for me to store my pencils I use to highlight in the book that is being protected by this cover. I am very pleased! ^\_^

Beautiful. My study bible fits perfectly. It's cozy but not squeezey, if you know what I mean. So much better for Bible covers than eBay. A bit more expensive but the quality is higher with more variety. And the zippers are good. If a bookmark or ribbon gets snagged on the zip it's no biggie! Enough room for a notepad or two without distressing the seams too much (not the ones with the ribs though, that probably wouldn't work. I mean the flip-over-the-top ones with the glued top edge. They work really good with this case. Remember guys, use a click pencil. Pens leak! And here's the tip of the day folks!!!...if you use an expired driver's license as a bookmark, and you lose your case somewhere, you might find it again on your doorstep! And it's a good edge for underlining notes too! That's three in one!

Absolutely stunning and very well made bible cover. It looks very masculine and feels very good to the touch. I have a NIV bible and it fits perfectly with room to even spare.. And the design is pretty neat and clean. It is one of those book cases where you would want to take very good care of it and that is not to imply that it is fragile...it just looks so good and professional and the design compliments it very well. It is a keeper in my book.

This Bible cover is amazing!!!! The fit is perfect for my KJV Study Bible. At first I thought it was going to be too big (even though I have the large print edition) but it truly wasn't. It fits with enough room to put little tablets in both the front and the back and nothing falls out. The quality of the cover was amazing considering the price and the Bible Verse stands out just right.

Beautiful cover. Great feel. Roomy. I have my bible in a fitted cover already. I use this cover to carry my bible like a mini satchel. It has room for my other smaller booklets and a pad and pens. Now I

can keep my bible out of my purse. It is exactly what I wanted. I would highly recommend this product.

Fits kind of snug for my bible, although made sure it was right size before I purchased. Chose Proverbs 3:5, which is my life Bible verse and love seeing it there. Would definitely recommend any of the covers with the many verses to choose from. Service from this seller is excellent!

Picked it up for the wife. Fits and matches her bible very well. Almost like it was made for it. Using it on the Zondervan NASB note takers bible.
