Customer Reviews

Super fast delivery. I ordered on a Saturday and received my book Monday. Love this collection! This book features many songs in tenor clef and bass clef. My cello teacher has played for many movie scores and swears by these books. Excited to keep moving forward!

My go to book for medium to advanced Cello students

I grownup with yamaha, but I like suzuki more. This repertoire just take you straight in to the world of classical. Lot and lot of songs from great composers. It is not for self-study tho'

My favorite song in this book is Bach's Arioso from Cantata 156 . This book also contains 4 movements from Vivaldi's Sonata in E Minor, Op. 14, No. 5.

Very helpful for growing players. I recommend hiring a private teacher because there are a lot of

new things that are introduced in book 5.

My daughter is going to enjoy this book!!! Can't wait to update

Arrived quickly. Needed this volume-lost mine somehow.
