Florida Real Estate License Exam Prep: All-in-One Review And Testing To Pass Florida's Pearson Vue Real Estate Exam

Synopsis

Features of Florida Real Estate License Exam Prep (FL-RELEP): Florida Practices & Law Key Point Review in the same 19 sections as the FREC 1 prelicense course (70 pages) Real Estate Math Key Formula Review & Practice (20 pages) 16 Practice Tests covering Florida and National Content (575 questions with explanations) Florida License Exam Simulation (100 questions with explanations) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the Florida Real Estate License Exam Prep (FL-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works – or fails to work. First, FL-RELEP is comprehensive. It contains both extensive content review as well as testing practice. And the text review, unlike most competing books, is Florida-specific – not just simplistic national content, but terse, relevant and accurate state and national laws and regulations presented as a set of “key point reviews” ideal for pre-test memorization. In addition, we recently re-organized and expanded the FL-RELEP content and tests to precisely follow the official 50+ page Florida syllabus topic by topic in the correct ordered sequence. Consequently, the material serves as a more user-friendly review for students who have taken pre-license courses throughout Florida containing this required content and organization. FL-RELEP’s “national” key point reviews are a succinct compression of tested national principles and practices drawn from our own national textbook, Principles of Real Estate Practice – one of the most widely used principles textbooks in the country. Finally, our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida. As such, the breadth and depth of the law reviews and test questions reflect the topic emphasis of Florida’s license exam. A word about the tests. The FL-RELEP’s test questions are designed to cover the content covered by the law reviews – which reinforces your learning of the total body of information tested by the state of Florida. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question’s answer is accompanied by a brief explanation to further reinforce your understanding. In the end, as you know, it’s all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass the Florida state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Florida exam. So good luck!!

Customer Reviews

This book had everything I needed to prepare for the Florida real estate exam. It was easy to read and complemented my Florida textbook well. It certainly helped me in passing the test.

The practice tests really helped. I passed the real deal on the first try! This book does not have a lot of material in it, just the basic outline but it is a good study aid as far as the test questions go.

Much easier to do online at my own pace.

i love it
