# The Pilgrim's Progress: From This World To That Which Is To Come

## Synopsis

For 300 years, *The Pilgrim's Progress* has remained perhaps the best-loved and most read of devotional fictions. In plain yet powerful and moving language, Bunyan tells the story of Christian's struggle to attain salvation and the Gates of Heaven. He must pass through the Slough of Despond, ward off the temptations of Vanity Fair, and fight the monstrous Apollyon. In Part II, his wife and children follow the same path, helped and protected by Great-heart, until for them, too, "the trumpets sound on the other side."

## Book Information

Audible Audio Edition

Listening Length: 12 hours and 3 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Naxos AudioBooks

Audible.com Release Date: August 1, 2013

Whispersync for Voice: Ready

Language: English

ASIN: B00EAH59YQ

Best Sellers Rank: #18 in Books > Audible Audiobooks > Fiction & Literature > Classics #55 in Books > Literature & Fiction > Classics #124 in Books > Christian Books & Bibles

## Customer Reviews

I was originally going to title this review, "I Can't Believe I Liked This Book!" I started reading *The Pilgrim's Progress* as part of a quest to read history's great novels. After making my way through Cervantes's *Don Quixote* (which took me 82 days), I began reading *The Pilgrim's Progress* in small chunks, and got through the first 100 pages or so in about two weeks... And then I stopped. Four months later, I resumed my quest. This time, I committed myself to reading in longer blocks of time. After all, *The Pilgrim's Progress* consists of two ~130-page Parts, neither of which is broken down into smaller chapter units, so stopping and starting seriously disrupts the flow. Still, I was having difficulty. The language is so archaic and the allegories are particularly hard to follow for someone (such as myself) with virtually no background in Biblical studies. But then a funny thing happened: in attempting to demonstrate the difficulty of the language to my wife, I began reading aloud... And then everything started to sink in, for me! I offer this as a tip to anyone else who at first has trouble getting into the book. Prior to my experiment with reading aloud, I would often find myself needing to

go back and re-read a paragraph or even a half-page. This is not a book that you can read casually -- you must be in deep concentration while reading. The payoff, however, is definitely worth it. This is a tale, after all, that has stood the test of time: the most influential English-language book in all of Christendom. The story of the more-famous First Part centers around Christian, who was formerly known as Graceless.
