Hal Leonard 102842 Disney Princess Favorites With Little Mermaid/Beauty And The Beast/Princess - Learn And Play Recorder Pack Box

Customer Reviews

I love these books!!! They are great for teaching beginners how to play and understand how the different notes work. I already have my own recorder but I thought I might try this one out. I however was disappointed in the quality of the included recorder. The recorder has a very high pitched squeaky even when you are covering the holes completely and correctly. I think this would soon become a quick annoyance to parents. This recorder is not really high quality like the packaging describes. Sounds more like a whistle/recorder mixed together. Other than that I have really enjoyed the music that came with the bundle. Next time i would try and search for the books in a different bundle or buy them each separately. If you have questions about the full songs list please ask me. =)

My kid loves it. She is very interested in music now. It is very easy to follow even if you have no musical experience.
