Customer Reviews

They start each section saying which section they are in and CD title vocabulary. They say one word and then do a poor job explaining what the word means. It just confuses the students. Don't waste your money.

I have to disagree with the other reviewer. It should be noted that this is an INTERMEDIATE level CD -- so, you need some basic knowledge of English already to use it. I thought this was a good tool for teaching new English vocabulary. Good pronunciation. Easy to use CD format. Especially at such low price from sellers on ! Would recommend.
