The Dance Of The Caterpillars (Chinese Edition): Bilingual Chinese English

Synopsis

While watching her Chinese immigrant son-in-law learn the English language, it became apparent to the author that prepositions are one of the most difficult concepts to comprehend. Therefore, *The Dance of The Caterpillars* was written as a fun way to teach prepositions. This exciting children's book contains 22 prepositions, one two-word multiple, and two three-word multiples. It is destined to become a valuable learning tool for children as well as English as a second language students.
