# A Crown Of Swords: Book Seven Of The Wheel Of Time

## Synopsis

The seventh book in Robert Jordan's internationally bestselling epic fantasy series, THE WHEEL OF TIME, now reissued with a stunning new cover design. The war for humanity's survival has begun. Rand al' Thor, the Dragon Reborn, has escaped the snares of the White Tower and the first of the rebel Aes Sedai have sworn to follow him. Attacked by the servants of the Dark, threatened by the invading Seanchan, Rand rallies his forces and brings battle to bear upon Illian, stronghold of Sammael the Forsaken ...In the city of Ebou Dar, Elayne, Aviendha and Mat struggle to secure the ter' angreal that can break the Dark One's hold on the world's weather - and an ancient bane moves to oppose them. In the town of Salidar, Egwene al'Vere gathers an army to reclaim Tar Valon and reunite the Aes Sedai ...And in Shadar Logoth, city of darkness, a terrible power awakens ...Find out more about this title and others at [www.orbitbooks.co.uk](http://www.orbitbooks.co.uk) --This text refers to an out of print or unavailable edition of this title.

Best Sellers Rank: #59 in Books > Audible Audiobooks > Fantasy > Epic #172 in Books > Science Fiction & Fantasy > Fantasy > Epic #398 in Books > Audible Audiobooks > Fiction & Literature

## Customer Reviews

Actual Rating: 3.5 stars  
Book 7 in the Wheel of Time series, Crown of Swords is the first one of the series where it took me some effort to get through some parts. This one, in my opinion, is the first one where RJ's attention to detail becomes a detriment as opposed to an asset. It begins with Rand reestablishing himself in Cairhien after the events in the previous book (Lord of Chaos) and ends with a pretty important battle. What I liked: \*Mat and his adventures are as funny as ever! \*Mat vs. Gholam \*Introduction of Cadsuane (some people consider that a minus, but I actually like her

character). Hers is a thankless job, but necessary.\*The battles in Illian and Shadar Logoth.\*The return of the Seanchan.What I didn't like:\*Mat and Tylin moments. Something about that whole storyline really bothered me.\*Elayne and Nynaeve, particularly their treatment of Mat. If someone treated me that way, they'd never see me again no matter how close we had been in the past! Their quest is quite drawn out as well.\*Even though the slow parts had relevant information, these parts were too big and quite tedious.\*FaileIn Summary:The Previous books in the series all had a certain excitement to them (for lack of a better term) that kept me going even through the occasional slow parts. That edge of your seat excitement was missing from this book at times. It only arose when the battles approached and made itself scarce during the overly descriptive slow parts. Still, there was story progression and the battles & Intrigue were great enough such that after finishing this book, I was greatly looking forward to the next one. I rounded the 3.
