This easy-to-read piano/vocal score is the perfect addition to any animation or Elton Fan's collection. With the level of "Easy Piano" anyone can use this wonderful score. With such titles as "El Dorado" and "Some day out of the Blue" (main theme from El Dorado) you'll spend hours of fun practicing or even performing these Spanish/mediteranian/rock tunes. Included with the scores are lush tropical snapshots from the film as well as 3 full page spread original landscapes. A must for Dreamworks fans. This simplified book of songs from the movie "Road to El Dorado" was an excellent purchase at about \$5.00 (from the right vendor). Big, colorful pages from the movie itself. Songs are "easy play" so they are not always in voice-friendly keys. Nice companion piece to the charming animated

feature with historical overtones.
