## Customer Reviews

The music, lyrics, and guitar chord diagrams, for almost 70 songs. Although I do not own all the albums, the book appears to contain all the songs from the albums "James Taylor" "Sweet Baby James" "Mud Slide Jim" "Gorilla" "One Man Dog" and "Walking Man." A must-own for the JT fan.

Bought this for my guitar buddy, as I have one of my own. Excellent for the novice and professional guitarist.

I was expecting some wear, markings, etc since it was used. Condition was much better than anticipated - practically new condition. No dog eared pages, no erased pencil marks, not even a worn cover.
