The Hitchhiker's Guide To The Dodd-Frank Act

Synopsis

The Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) is the most comprehensive financial regulatory reform measures taken since the great depression. The Hitchhiker's Guide to the Dodd-Frank Act aims to summarize the principal aspects of the Dodd-Frank Act (DFA) as briefly as possible and to provide an A to Z guide of all related terms, definitions, acronyms (of which there are many) and slang. The author has served as a project manager and business analyst for over three years on Dodd-Frank engagements and compiled this book largely to save his own sanity in dealing with the breadth and complexity of the regulations.
