Accents And Rebounds: For The Snare Drummer

Synopsis

George Lawrence Stone's *Accents and Rebounds*, the follow-up to the classic *Stick Control*, builds on the basics with accent routines and more advanced rhythms to improve the player's finesse and control. This book includes sections on accented eighths, dotted notes, and triplets, as well as rebound control and more. If you are a fan of *Stick Control*, then this method supplies the perfect next step for your practice routine. This updated edition adds Joe Morello's legendary arrow notation to help students incorporate the motions of the Moeller technique.

Customer Reviews

A great workout for drummers looking to sharpen their chops. Tedious & technical, but there are no short cuts to being a great player. The book obviously is a success, it's been around since 1935!!!!!!

Classic book that still applies today. Mr Stone sets down a timeless framework for mastering the mechanics of playing a drum with a stick.

Great drum exercises-even for experienced drummer.

GLS is a classic instructor and his books are a must have for any drummer. MOUNDS of information that can be applied in any drumming scenario. It also will challenge just about any level of drummer.

Great practice book for drummers.

This book gives you everything you need to have great hands. Its comprehensive exercises provide you with ways to improve that you may never have seen before.

Nicely done... as expected.

excellent read good info
