The work they produced increased the popularity and respect for the park system.National Parks include; Carlsbad Caverns, Glacier National Park, Grand Canyon, Grand Teton, Kings Canyon, Rocky Mountain National Park, Yellowstone, Yosemite and Zion National Park. An amazing collection of over 275+ paintings and photographs by the following artists; Ansel Adams, Thomas Moran, John K. Hillers, Albert Bierstadt, Thomas Hill, William Henry Jackson, John Henry Twachtman and Carleton Watkins.Book includes; Table of Contents, Information on each National Park, Top 50 Museums of the World and is compatible with all Kindle devices, Kindle for iOS and Android tablets (use rotate and/or zoom feature on landscape/horizontal images for optimal viewing).The National Park Service was created in 1916 by Congress through the National Park Service Organic Act. It was signed into law on August 25th by President Woodrow Wilson. It is an agency of the U.S. Dept. of the Interior. The direct management of the NPS is directed by the National Park Service Director, who is confirmed by the Senate. The NPS employs over 22,000 people that oversee 397 units, of which 58 are national parks. The National Park System includes; Military Parks, National Preserves, National Monuments, Historic and Heritage Sites, Wild Rivers, Recreation Areas, National Memorials, National Seashores and Lakeshores, Scenic Trails, Islands and Wolf Trap National Park (the first national park for the performing arts). Yellowstone National Park was the first national park in the United States. The park system encompasses approximately 84.4 million acres, of which more than 4.3 million acres are in private ownership. The largest park is Wrangell-St. Elias National Park and Preserve in Alaska, covering 16 percent of the entire park system.

Customer Reviews

This ebook is very well formatted for the Kindle Fire. You can look at the paintings & photographs in either landscape or portrait mode to get the best viewing. There is a nice mix of paintings and photographs in both black & white and color. The only slight inconvenience is that the descriptions do not accompany the pictures. Instead, you must refer to the table of contents to get a description of a particular picture. Otherwise, it makes for very enjoyable viewing.

I got this book after visiting Yellowstone for the first time. It's a great book to have and when I would see the Yellowstone images, I immediately recognized them. Seeing images from other parks makes me want to visit them eventually too. What I liked about the book is the narrative that goes along with the images.

Great images!Wish there were more photos of Rocky Mountain National Park.Wish there were stories of the artists featured.

While this book is filled with lovely illustrations, My iPhone kindle edition has zero text with the images. I can't imagine the authors did not provide image ids.

Its good, I got it for my kindle fire hd, I just feel it lacks a bit resolution to zoom in and really appreciate the quality of those great paintings and pictures.
