The Best In The World: At What I Have No Idea

Synopsis

World Wrestling Entertainment has named Chris Jericho one of the top 10 wrestlers - and one of the top five talkers - of all time. Certainly, the past six years have been spectacular for Jericho. After a sluggish return from his 2005 sabbatical, Jericho found new inspiration in watching *No Country for Old Men*. and completely reinvented his character - ultimately going on to capture three world WWE titles. *The Best in the World* chronicles some of the incredible and often preposterous highlights of Jericho's recent career, including how Mickey Rourke challenged Jericho to a match then backed out; his escape from the 2010 Icelandic volcanoes in a broken-down, European rental-car shuttle; his encounters with Bob Barker, Ozzy Osbourne, Metallica, Al Sharpton, and Mike Tyson; and his on-again, off-again relationship with WWE chief Vince McMahon.

Book Information

Audible Audio Edition

Listening Length: 11 hours and 55 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Tantor Audio

Audible.com Release Date: October 28, 2014

Whispersync for Voice: Ready

Best Sellers Rank: #10 in Books > Biographies & Memoirs > Sports & Outdoors > Boxing, Wrestling & MMA > Wrestling #16 in Books > Sports & Outdoors > Individual Sports > Wrestling #72 in Books > Audible Audiobooks > Nonfiction > Sports & Recreation

Customer Reviews

While slowly counting down the days until Chris Jericho's latest tome hit book shelves, I had a feeling in the back of my head that Jericho's third outing couldn't possibly live up to the quality of his first two books (*A Lion's Tale* and *Undisputed*). I received the book and debated if I should crack it open or let it sit until I had to fly back to my native Minnesota for vacation. Tough decision but I decided to read a chapter then save it for the airplane 3 weeks later. I started in on the first chapter finishing it in a few minutes. However, something strange hit me. Soon, I was at chapter four, then five, then six. Before I knew it, an hour passed since I started reading. He did it again...Jericho's first two books had that rare ability to suck the reader in and not let them go until they have to. 'The Best

in the World" was not an exception. The first chapter worried me as I briefly thought Jericho was going to venture into the way of politics. When I read a book, I want to get away from all that stuff. Doesn't matter the party or political views. This is what turned me off to Mick Foley's book after his third outing. Luckily, Chris stayed away from it and produced an intense chapter on his visit to an active war zone with the WWE. By far, probably Jericho's most dramatic/intense chapter in any of his three books. Proceeding that, Chris gives a brief foreshadowing of his Royal Rumble return before jumping back into the main body of the book. I found myself having to go back to the end of Undisputed (book #2) and re-establish the timeline of Jericho's career as I was a bit confused after his numerous departures and returns. I wasn't quite sure if the main focus of the book was his Rumble return or his "2nd coming" return.
