## Customer Reviews

I find the arrangements easy and that is encouraging to a beginner harpist. My only regret is that Sylvia Woods didn't do more songs...

I love this John Denver harp song book--great songs for piano and harp. I have a musical background, but I just started playing a lap harp, 26-string. Although some of the songs require a 33-string harp, I just play the lower notes an octave higher and they sound great, and it keeps my brain alert. I am planning on purchasing a 33-string harp, so I don't have to continue playing up an octave.
