The Stupid Crook Book
Synopsis
Straight from police blotters across the country, The Stupid Crook Book chronicles idiotic criminals and their foiled attempts to turn a quick buck or cause general mischief. In this hilarious volume, witness stories about dopey crooks such as: A former convict robs a bar to get cash to feed his drug habit. Unfortunately, he lives above the bar in question, and the victim of his crime - his landlord! A man is stopped for speeding in Oklahoma and pleads with the officer not to give him a ticket, IF he finds drugs in the car. A pizza delivery guy is robbed of his pizza by two men - the same two men who called in the pizza order. A neat-freak thief leaves his personalized shoeshine rag at the scene of the crime...and more! Leland Gregory presents tales of clumsy crooks who are more likely to shoot themselves before getting their guns out. Funny, and kind of sad, The Stupid Crook Book is a treat for young adult listeners.

Leland Gregory's What's the Number for 911? books are an absolute riot! His latest, The Stupid Crook Book, is even better. He said on the TODAY show that everything is true and verified, and amazingly he has amassed an entire book of truly stupid, funny, and entertaining things that criminals do. This is a perfect book if you need a laugh or you're looking for a great gift!

I have never read a book that made me laugh so hard that I was literally crying. The Stupid Crook Book is outrageously hilarious! The one story that really had me going was the one about the robber who broke into a home and made a [costly] call to a psychic. The guy was so dumb, he used his real
name when calling the psychic. When the phone bill came a month later, the police easily traced the
call back to the hotline and discovered the robber’s identity and later arrested him. WHAT AN
IDIOT! There are all kinds of idiotic crooks in this book, and all I could do was laugh at them! If
you’re needing lots of laughs in your life, then this book is the answer. Trust me, you’re guaranteed
to get the hiccups with this one!

Another reviewer mentioned seeing this book on The Today Show. I saw that too. Al Roker was
cracking up over it. This is the type of book I refer to as a "booty-sleeper." That’s what I call a
bathroom book* that is really too compelling to be a bathroom book, because it holds your interest
so long you forget you’re on the toilet until your bum falls asleep. Like Leland Gregory’s
crazy-911-call books (also booty-sleepers), The Stupid Crook Book is just really funny and stupid
and highly amusing. It’s unsettling to know there are people this dim among us, but I giggle almost
continuously whenever I pick up this book.*For people who weren’t raised with books in their
bathroom: a bathroom book is any type of light reading consisting of small stand-alone pieces. It’s a
book you can open to pretty much any page and read a complete bit or bits within a minute or
two--like trivia books, almanacs, collections of short-short stories or essays, and books like this one.

These idiot crook out-takes are belly-achingly funny. Some of these criminals are so stupid it’s
unbelievable, but that’s what makes it so funny. Not one to miss!

My friend was telling me she heard this guy Leland on the radio one day. She said she was driving
in her car on the way to work and couldn’t stop laughing! By the time she got to work, she was
crying (not because she was finally at work), but because this guy is just THAT FUNNY! Buy this for
one of your stupid friends who always ends up getting caught in stupid situations.....it’ll either make
him feel better (because he’s not as stupid as these guys), or he’ll feel worse knowing he’s just as
guilty!!...

It’s another fall down funny book from Leland Gregory. Leland has emerged as one of America’s
"Wackiest" authors and his collection of realwacky comedy CD’s are also a great addition to any fun
lovers collection. Keep up the good work Leland, we’re looking forward to your next book and
realwacky CD.

One story is funnier than the next. This is one of those laugh-out-loud books that you want to share
with a friend (or anyone who happens to be nearby)! Never thought I'd get such a kick out of crime! Fun little book to give to friends.

This is a great book to read before bed. It is easy to read, short stories so you can put it down as soon as you start getting tired, and the stories do not make you think hard which could keep you awake.
