A Minecraft Herobrine Diary Of Appearances

Synopsis

The Minecraft Herobrine is a mysterious figure showing up in the game, spooking people out, planting trees randomly, and building pyramids in inconsistent locations. Discover through this book what the Herobrine has to say about his reasons for doing so and find out more about this mysterious being in the Minecraft world. He loves puzzles, he hates the fact that his brother died, and he is a genius beyond any reasoning.

What a story about appearances and how some people have problems in this type of thing and to understand those who may understand". I would like to recommend this for kids, especially those in grade school and for four star rating. I received this ebook for free and in return, here is my honest return. Great job Billy! By Angela

This book was fun to read. The herobrine appears in the Minecraft game and places random trees and pyramids in it, which the writer played into nicely by integrating that given fact into a story. The first person's perspective helps you relate to the herobrine who wrote the diary. The puzzles in the back can help children feel smarter as they have rebus solutions. Interesting to read about the thought process of someone who didn't feel understood but serves a purpose in society.

uh I not shure but the thing is that I wanted a book about herobrine going around and skaring everybody so I do think it is good but just needs a bit more improving just like some other books.
