Identifying Waste On The Shopfloor (The Shopfloor Series)

Synopsis

Like all Shopfloor Series books, *Identifying Waste on the Shopfloor* presents concepts and tools in simple and accessible language. The book includes many illustrations and examples to explain basic concepts and some of the challenges that are encountered when looking for and eliminating waste. *Identifying Waste on the Shopfloor* is the ideal compliment to 5S, TPM, and other tools for building a lean manufacturing operation. Productivity's Shopfloor Series books offer a simple, cost-effective approach for building basic knowledge about key manufacturing improvement topics. *Identifying Waste on the Shopfloor* and all our Shopfloor Series books include innovative instructional features that are the signature of the series. The goal: to place powerful and proven improvement tools in the hands of your entire workforce.

Customer Reviews

The book was wath I expected! EVen package I got was in excellent conditions. I would like you to have the options to buy 2 or more books and not to pay shipping for each thing I buy.

Terse, beginners guide to identifying waste...

Good book for the team to read.

Thumbs up
