Customer Reviews

This will be difficult for any beginning English speaker to use. The introductory information is spoken rapidly and will not be understood by someone learning the language. The "exercises" only pronounce the words once with little time for the student to repeat the word. I can see lots of students getting frustrated with this program very quickly.

this product is excellent for somebody who knows English but needs help with pronunciation. It is very specific about where to place the tongue to achieve the proper pronunciation.

I gave it as a gift to a friend wanting to better her English. She uses it and likes the ease of the material.

I found it very useful and practical. I suggest this product for people who want to improve their English pronunciation.

my wife loves this program. She finds it helpful to improve her pronunciation of words, but not learning words
