Government And Business: American Political Economy In Comparative Perspective

Synopsis

In the wake of worldwide economic turmoil and efforts toward recovery, understanding the interdependence of government and business is more important than ever. In this thoroughly updated edition, Lehne takes a comparative approach, evaluating the U.S. political economy with respect to those of Great Britain, Germany, Japan, and the EU. The book provides detailed historical context for, and a conceptual understanding of, the business-government environment, and then clarifies the roles of the major actors and outlines the regulatory and policy frameworks. Along the way, Lehne probes some of the most crucial dilemmas facing government and business today. Updates to this edition include expanded coverage of ethics as it relates to government and business, greater attention to China in particular in the feature boxes on developing nations, and a look at relations between government and business at the subnational level. A comprehensive glossary and chapter summaries enhance student learning.

Book Information

Paperback: 361 pages

Publisher: CQ Press; 3rd edition (March 23, 2012)

Language: English

ISBN-10: 1608710173

ISBN-13: 978-1608710171

Product Dimensions: 6 x 0.8 x 8.9 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (3 customer reviews)
