Customer Reviews

Knolly - my appreciation to you. Your book arrived via yesterday and I read it in one sitting. You are so gracious for sharing all of this valuable info. I have attended Keller Williams BOLD training twice and Family Reunion, but your words and simple to follow plan resonates with me big time. I have been in the real estate business full time for 10 years and I am feeling totally fired up and focused for the future. I highly recommend it to new and seasoned agents alike!

Well written, easy read on the actual steps any person can take to get their life back on track or keep on the right track. Written by someone who has been through the ups and downs his life experience heaped upon him. He found a way to come out on the other side and decided to share that path for others to follow. After all, success leaves great big fat footprints but you have to know where to look to find them. His life lessons are shared with the emotion and simple detail that gives them the credibility we all look for in order to make a decision to follow the steps outlined in this book of life lessons. Well done and thank you for sharing with all of us.

Met and shook Knolly's hand in person in Folsom. We had a 1.25 hours worth of mastermind with him and I was sold on Knolly being real. Thanks for being true to form and i look forward to many opportunities to network with you
