Wildfires: The Natural Disasters Series

Synopsis

Wildfires are one of nature's most frightening forces. In this exciting and historical account of many of the worst fires in American history, all the terror, destruction and human tragedy are vividly retold. The 1871 Peshtigo, Wisconsin fire is relived, as well as the Yellowstone fire of 1988 and the 2003 Southern California fires. Wildfires is part of the Natural Disasters non-fiction series that will engage listeners of all ages, including English Language Learners. Nature unleashes its forces without regard to people or property. Blizzards, earthquakes, hurricanes and floods, tornadoes, and wildfires are all featured in this nonfiction series that also relates tales of survival and heroism, with a bit of the science behind these natural phenomena.
