Jackpot! Another winner! Bella has knocked it out of the park - again! A Turn of Tides is the thirteenth release in Bella Forrest's spellbinding hit series, A Shade of Vampire and it totally rocked my world! Like thousands of my fellow Shaddicts, I've been hooked from the very first book of the series and now anxiously await each release. I simply can not get enough! I love this series! I was turning the pages so fast, my Kindle Fire couldn't keep up! This series just gets better and better! This is a paranormal story that is so unlike any other that I have ever read. It is exciting, original, imaginative, very well developed, thrilling, fast paced, riveting, action packed, mysterious, suspenseful, enchanting, addictive and oh so romantic. These are only a few of the words that

come to mind while reading this incredible chronicle of the Shade and its inhabitants. The dialogue is smart, intelligent, exceptionally well written and flows beautifully. Although the story is compelling and the dialogue is exceptional, it's truly the wonderful, comprehensive cast of larger than life characters that makes the biggest impact. They are fascinating, captivating, intriguing, engaging, endearing, downright sexy and just out of this world! Literally! They seem to explode off the page, grab your imagination, capture your heart and hold you totally enthralled. Forrest expertly combines these elements to craft a stunningly brilliant masterpiece of paranormal romance filled to the brim with action, adventure, fantasy, suspense, magic, supernatural beings, love, loyalty, heartbreak and hope. Compelling vampires, beautiful witches, wicked warlocks, sexy werewolves, hideous ogres, devious dragons and much, much more! I love it! I never tire of visiting my friends of 'The Shade'. It always feels like returning home.
