Customer Reviews

I'd give CLUB DEAD a 4.5 if that were possible. First off, I really love this series. It's unique in its supernatural chills mixed with insightful social speculation, lusty romance and hoot-out-loud hilarity. (Hamilton's Anita Blake series, you say? Puh-leeze.) So I approach it as a solid 5 just for great world building and characterization, then work down from there. I won't bother with a plot summary since it's already been done but this book is less balanced than the first two in the series. The characters are still vivid and grow in surprising but logical ways. Sookie is just as tough, wry and clear-sighted about her own situation and vulnerabilities. Her lover Bill The Vampire's unexpected treachery surprised me but Harris is nothing if not tough minded. She's consistently sprinkled reminders throughout all the diverting humor and action that vampires are fundamentally different; they do not share conventional human morality or emotions. Vampire area boss Eric is still a gorgeous hunk who cheerfully lusts for Sookie but shows signs of being a more simpatico, genuine friend, albeit somewhat reluctantly. (He's still a vampire and "doesn't *like* having feelings, remember.) The introduction of hunky (and breathing) Alcide the Werewolf, hung up on the Ex-Girl Friend From Hell, makes a poignant counterpoint to Sookie's situation. And Bubba, oh my GOD, the

ineffable Bubba...(This raving won't make a lick of sense to anyone who hasn't read the series but betcha anyone who HAS can't keep from chortling.)As always w/ this this series, there are some purely wonderful scenes. Sookie and Alcide nervously trying to dispose of a corpse wrapped in a shower curtain, "like a big green burrito." And as usual Harris seamlessly, suavely injects unexpected humor into horror and vice versa.
