Third Grave Dead Ahead

Synopsis

Third in the award-winning paranormal series that's "hilarious and heartfelt, sexy and surprising." (J.R. Ward) Paranormal private eye. Grim reaper extraordinaire. Whatever. Charley Davidson is back in Darynda Jones' Third Grave Dead Ahead! And she's drinking copious amounts of caffeine to stay awake because, every time she closes her eyes, she sees him: Reyes Farrow, the parthuman, part-supermodel son of Satan. Yes, she did imprison him for all eternity, but come on. How is she supposed to solve a missing persons case, deal with an ego-driven doctor, calm her curmudgeonly dad, and take on a motorcycle gang hellbent on murder when the devil's son just won't give up?

Book Information

Audible Audio Edition

Mystery, Thriller & Suspense > Mystery > Supernatural

Customer Reviews

Hijinks and hilarity ensue when the Grimm Reaper is on the case. Charley's functioning on a diet of coffee, coffee, and coffee, at this point she's more likely to be a portal to Starbucks than the other side. Her self induced insomnia is due to one scorned son of Satan passionately haunting her dreams. Every time Charley closes her eyes she's bombarded with some transcendental loving via one smoking hot Reyes Farrow. Normally a little visit from the Prince of Darkness is welcomed but the Big Bad is angry and doesn't seem to want to be with Charley in her every unawaking moment. Good thing there's work to fill in all her new free time not spent in bed. This go around Davidson is in search of a potential client's wife, but with Charley's semi coherent caffeinated skills she detects the good doctor isn't quite as good as he appears. Unfortunately he's also the least of

Charley's man troubles. Davidson is having daddy issues, along with running into problems with a motorcycle gang, a victim's very large brother, and a sadistic murder, on top of Reyes' big bad baby woes about being bound, leaving Charley in need of an industrial sized can of man repellent. Charley's going to need a triple venti latte to save a few lives, uphold her portal duties, solve the case of the doctor's missing wife, help Reyes, and start to realize exactly what a Grimm Reaper can do. The Charley Davidson books are probably my favorite audiobook series. The combination of Darynda Jones and Lorelei King is to die for. Third Grave Dead Ahead is another expertly narrated book. King infuses life into Jones' characters. I don't think anyone else could so genuinely portray Charley for the funny, quirky, completely oblivious, ADD prone heroine and make her even more lovable than King does.
