## Synopsis

How can a virgin seeking happily ever after with a hot pop star who has a penchant for threesomes win her fantasy man? Kimber Edgington desperately needs a plan to convince Jesse McCall, who's been her friend and secret crush since they spent a summer together as teenagers, that they are meant for each other. But all the tabloid stories about his sexual escapades make her feel oh so inadequate. Determined to prove she's woman enough for Jesse, Kimber turns to bodyguard Deke Trenton for sexual education. Bold and brash, Deke warns Kimber that playing with him is playing with fire. But he can't bear to imagine the innocent beauty in someone else's arms. So Deke and his super sexy cousin, Luc, take Kimber under their wings and dangerously close to the edge of ecstasy. Though she's saved herself for Jesse, Kimber soon learns he's not the man adept at stroking her aching, endless need. That's Deke, and he can't resist when Kimber begs for more-and more.

## Customer Reviews

Decadent stars Kimber Edgington as she's tracking down ex Army Ranger Deke Trenton and his cousin, Luc Traverson for help. She needs a crash course in menage so she can prove to her girlhood crush, Jesse McCall, that she's not afraid of his menage proclivities and can handle it. Since she was seventeen she's been fascinated by Deke and the rumors surrounding his love life and she hopes he can be the one to teach her. Luc is only too happy to step in as her sexual tutor but Deke has his reservations. He's wanted Kimber from the moment he saw her, but his own personal hangups prevented him from making a move, plus there was the added fact of her being

underage at the time and her father threatened to cut off his balls if he so much as looked in her direction. At first he tries to scare her off, to show her how intense being with two men can be, but when he realizes she'll only go to someone else for lessons, he agrees to teach her. He agrees that he and Luc will play sexual tutor with their little houseguest for two weeks, with the understanding that there will be no emotion involved. Deke is trying to protect his heart and a secret that he's been hiding for twelve years and he's afraid Kimber is going to blast right through all his carefully erected barriers. Luc is also hiding behind a facade and has his own reasons for agreeing to Kimber's plan. He is putting all his hopes for a perfect life with the three of them and is going to use every manipulative, sensual weapon he has. While the fun and games begin, there is a dangerous stalker out to get Kimber's father through her and after a vicious attack the men snap into protective mode and hide her away for protection.
