Prebles' Artforms Books A La Carte Edition (11th Edition)

Synopsis

We form art. Art forms us. The title of this book has a dual meaning. As humans form works of art, we are in turn formed by what we create. The art world constantly evolves, as today's artists interpret, challenge, and ultimately create the world around them. The 11th edition of Prebles' Artforms reflects this dynamic environment; it is one of the most exhaustive revisions in the book's history. Three recent trends drive this edition: changing pedagogical needs, new scholarly research, and recent creativity by artists around the world. MyArtsLab is an integral part of the Prebles' Artforms program. Engaging activities and assessment provide a teaching and learning system that helps students experience and interact with art. Key learning tools include ART 21 videos, Studio Technique videos, and our hallmark Closer Look tours of works of art. This Book a la Carte Edition is an unbound, three-hole punched, loose-leaf version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking the portion of the book they need to class—all at a fraction of the bound book price.

Customer Reviews

I had to have this book for a class, and in all the bookstores I searched in it ran about \$70 more expensive. It is not at all inconvenient that it is looseleaf, in fact I feel that makes it all the better. If you are a poor college kid like myself I would definitely suggest this.

As a novice in the art world and new docent this book has been an excellent, logical presentation of

artistic techniques and evaluations. It is the current selection in a Museum's book club.

Didn't realize it was unattached paper rapped in rubber bands when I purchased the book but other than that it's cool. Received it in a timely manner.

I like it, but it is just a school book after all. It is odd that the primitive art is in the back rather than in the front.

As an instructor, this suits my needs. Since it is looseleaf I can carry only the chapters that we are covering.

i wish i would have read that its a loose copy to keep in a binder.....
