Mel Bay's Harmonica Position Chart

Synopsis

The Harmonica Position Chart covers all the basics needed by a harmonica player to play in First, Second and Third Position. For each position in-depth charts and notated examples (using standard music notation and TAB) are provided. This includes: C harmonica note layout chart; C harmonica note layout chart with bends; the natural scale available in that position with and without bends; the chords of that position s key; the chords used for blues in that position; 12 bar blues chart with root notes of the chords for that position; blues scale and band/harmonica reference key for that position. A very handy quick reference of the theory information needed to play in positions.
