Fantasy Life: The Outrageous, Uplifting, And Heartbreaking World Of Fantasy Sports From The Guy Who's Lived It

Synopsis

Fantasy football, fantasy baseball, fantasy basketball, even fantasy sumo wrestling: the world of fantasy sports is huge, and still growing. Today, more than 35 million people in the United States and Canada spend hours upon hours each week on their fantasy sports teams. And as the Senior Fantasy Sports Analyst for ESPN, Matthew Berry is on the front lines of what has grown from a niche subculture into a national pastime. In *Fantasy Life*, Berry celebrates every aspect of the fantasy sports world. Brilliant trash talk. Unbelievable trophies. Insane draft day locations. Shake-your-head-in-disbelief punishments. Ingenious attempts at cheating. And surprisingly uplifting stories that remind us why we play these games in the first place. Written with the same award-winning style that has made Berry one of the most popular columnists on ESPN.com, *Fantasy Life* is an audiobook for both hard-core fantasy players and people who have never played before. Between tales of love and hate, birth and death, tattoos and furry animal costumes, the White House Situation Room and a 126-pound golden pelican, Matthew chronicles his journey from a 14-year-old fantasy player to the face of fantasy sports for the largest sports media company in the world. Fantasy will save your life. Fantasy will set you free. And fantasy life is most definitely better than real life. You'll see.

Book Information

Audible Audio Edition

Listening Length: 8 hours and 31 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Gildan Media, LLC

Audible.com Release Date: July 16, 2013

Best Sellers Rank: #11 in Books > Humor & Entertainment > Puzzles & Games > Fantasy Sports
#35 in Books > Audible Audiobooks > Arts & Entertainment > Games #149 in Books > Audible Audiobooks > Nonfiction > Sports & Recreation

Customer Reviews

Imagine if you could write for the top sitcom in America, then write movies in Hollywood, and actually make a ton of money doing it. That sounds like fun, right? Sounds like you would kill to have

a dream job like that. Only Matt Berry did the exact opposite of that. He wrote 12 episodes of Married with Children. Wrote for a bunch of other shows. Even wrote a movie or two. And then gave it all up. I would never have done that unless someone was offering me something incredibly huge. Like, maybe he was going to be an astronaut or President. But he gave it up for a job that paid nothing and all his dreams came true after that. I called him up to find out why. He had tweeted about my book when it came out on June 3 and I wanted to thank him. But I was also jealous. I WANTED to write for the sitcoms. I was almost angry he gave it up to write for basically nothing for a fantasy sports site. I was miserable in Hollywood, he told me. And then finally there was a breaking point. I was sitting in a room going over a script with two actors and they were trying to explain to me how to write comedy. I couldn't take it anymore. Matt Berry's book, "The Fantasy Life" comes out today. It's excellent and I highly recommend it. Not because he sent it to me. But because I read it and it reminds me so much of how I ended up doing the things I ended up doing. It's about someone who chooses himself, chooses to follow his own path to success and, in doing so, creates out of nothing an entire career. I know nothing about Fantasy Sports. I know nothing really about sports.
