Brought To Justice: Osama Bin Laden's War On America And The Mission That Stopped Him

Synopsis

Brought to Justice is a history of Osama bin Laden's infamous campaign against America and the decade-long U.S. attempt to find and bring him to justice. The last chapter includes a detailed depiction of the mission that eliminated bin Laden.

Best Sellers Rank: #87 in Books > Audible Audiobooks > Arts & Entertainment > Photography
#358 in Books > Audible Audiobooks > History > Middle East #985 in Books > Audible Audiobooks > Politics & Current Events > Freedom & Security

Customer Reviews

Heard BROUGHT TO JUSTICE (Hachette Audio) by the Editors of LIFE . . . it is the engrossing story of Osama bin Laden, as well as America's efforts to find him and bring him to justice. I knew little about the man before listening to this brief book . . . I now know some more, though frankly, I would have wanted even more detail . . . that he came from great wealth surprised me . . . as for his deep well of hatred, I'm not sure that I quite understand that--but then again, maybe nobody ever will. Perhaps most interesting to me was the moment-by-moment account of bin Laden's climatic last day, in both Pakistan and Washington, DC, and how such secrecy was able to be maintained. The book version apparently has pictures from inside Al Qaeda and in battlegrounds around the globe--including New York City, Somalia, Tora Bora, Abbottabad and the Washington war room. I would have liked to have seen some or all of these; e.g., on a file that could have come with the CDs.

This book would have been a lot better if it was accurate about the raid, which one of the men who was one the raid has since corrected in his book on the subject. Still, there was a lot of interesting stuff in it, and I will keep it along with my other material on bin Laden.
