Customer Reviews

I bought his book so I could sing songs with my granddaughters, who happen to love all the Disney songs, especially Frozen. I may know most of the tunes, but need the lyrics. There is a nice selection of 23 popular songs. I'm just learning to play the ukulele after years of playing the guitar and I'm finding I need a lot of practice. The fingering is different on the ukulele. This book helps with easy to follow chord diagrams. Very happy with this purchase.

Not for standard ukulele. Melodies tend to have notes lower than middle C which is the lowest open string. Billed as strum n sing, but even the chords are a disappointment to Disney fans.

Great book! Lots of songs in an array of difficulty levels. Chords are diagrammed which is nice for a beginner like me.

my kid love it
