Customer Reviews

I was wondering if social media could really help in boosting small scale businesses in terms of marketing and advertisement. Surprised that in few easy steps, it was nicely introduced here in this book, that it is possible. It directs the reader who's in need for marketing strategies utilizing social media in a downright manner. If you need quick tips to promote your business via social media, then get this book ASAP.

The book elaborates and explains the importance of social media beyond connecting with friends to doing business. The step by step criterion of creating pages for business is well explained and the Facebook Exchange. You can also create and advert yourself, host contests, promote posts, and sponsor stories.

I was a complete zero in online marketing and this book helped me to cover this topic to details. Now I am a real master in this field and I am very successful in it, I would say. This book taught me 4 steps to social media marketing success. Now I know how to create a facebook page and make facebook exchanges plus a lot of information on how to create classic ads and host contest and more. I really found this book very good and helpful.

Oh! This book seems very friendly to me. It gives me more knowledge in online marketing. The author include some strategy that is so very useful especially in beginners like me. The author also discuss network marketing as well as the marketing analytics. If you do reading this book you might be so good in marketing.

Facebook is the most popular social media network. Millions of people are on Facebook these days, and why not? it is a great way to keep in touch with family and friend, but now it is developing into a powerful way to business. Facebook marketing is growing by leap and bound daily, and it is a great tools to used by lot of business for their product to be known. A much larger audience will view your product giving you much better chances to get potential customer. This book marketing book for a beginners guides you through all the aspect of advertising on facebook.
