Customer Reviews

I am a near 35 year veteran in the mortgage industry and this is a great road map for success as Mortgage Broker. It is not only an excellent tool but fills a significant need in the mortgage industry.

An excellent guide for anyone starting out or already in the mortgage industry. It is clearly written and offers excellent tips on finding and interacting with clients and lenders. It also could be beneficial to Realtors as the marketing techniques pertains to both industries, and may help better understand how closely the two industries are related..
