Customer Reviews

I have been having a ton of fun with this book. It has all of the songs I had hoped it would have and many more from a variety of Disney movies. The songs are not very difficult - I have been playing for about 14 years, but only on and off for the last 6 years (after graduating high school, I only play occasionally for fun and whatever skill I may have had is severely diminished). I would say that an intermediate player shouldn't have any trouble getting through this book.
