The \$10 Trillion Opportunity: Designing Successful Exit Strategies For Middle Market Business Owners, Canadian Edition

Synopsis

The Ten Trillion Dollar Opportunity is the most comprehensive and integrated work available on the subject of exit planning. It takes a practical "how-to" approach to help business advisors integrate exit planning into their practices. Using illustrative examples and case studies, the authors have distilled over 50 years of combined experience into a wise, down-to-earth, and eminently practical guide on exit planning. As a result, this book is an essential guide for advisors who work with or represent owners of private, middle-market businesses. The Ten Trillion Dollar Opportunity is sure to become one of the most important resources for professional advisors who want to understand how to succeed by addressing the growing need of over 9 million business owners.
