Tiny Houses 101: A Guide To Living Large In Small Spaces

Synopsis

Live small and be happy! Have you ever wondered what it would be like to live in a tiny home? Dream of having a smaller mortgage? Or none at all? Care about living green? Want to live a bit more simply and focus on the things that are really important in life? Then a tiny house might be the perfect solution for you! This book explores tiny houses and the lifestyle that comes along with them. It will give you an idea of whether a tiny house makes sense for you and your family and helps you transition to the idea of living large in a small space. In this audiobook you'll learn: Who tiny houses are a best fit for How tiny houses help you slim down your unneeded possessions and focus on the things that are really important to you Design and decorating tips to help you make the most out of your tiny house space The physical and emotional benefits of adopting the tiny house lifestyle And much, much more! Tiny houses are about focusing on what matters most to you - relationships, hobbies, work, nature, or community. It's never too late to change your focus, and a tiny house will help you get there!
