This is a great book for beginner/intermediate flutists. I picked it up to play some of my favorite classics, and was very impressed by the selection. They have everything from cute radio jingles to typical "church" songs. There is definitely something for everyone, although an experienced flutist looking for a challenge will probably be disappointed. Lots of fun, would definitely recommend!

I love the big book of Christmas songs for flute! Really gets me into the holiday mood!! Would HIGHLY recommend it!

Great selection of Christmas music including a number that I am not familiar with. It would have been better to have the songs graded by difficulty, but I'm okay as I can usually tell when something is too difficult to play. ;-)

This book is for intermediate players. It has all the classic Christmas music in it plus some cute ones like "Santa Baby."

excellent selection of recognizable Christmas songs. my granddaughter is very pleased to have some additional music to play. she is at an easily bored stage (maybe that doesn't go away????) anyhow--I highly recommend this for any beginner flute player. it is both easy to play and easy to listen to.

My daughter got this for Christmas. She is only 13 and has been playing out of the book a lot. She even used it in the car with pretending to play to practice on the songs. A lot of the newer songs and the old traditional. Was a hit!!

I saw this book in a music catalog for way more than it was here. My daughter wanted this for Christmas so she could annoy the hell out of her favorite Grinch aka Dad. Well, there are so many songs in this book that Dad comes home to a different one every day so far!

I bought this book for my daughter last year. She loves it, it offers a great variety of Christmas music and she has used it to play at church many times.
