## Customer Reviews

Well not only is the title almost completely misleading making it kinda a waste of money especially when you couple the fact the all these images can be found in any search engine with images for free.

Absolutely misleading no nudity waisted time and money for this book. It states in the title "nude photography" there is none don't waisteyour money...

You get nine pictures of models in bikinis hardly worth anything over free. Avoid this one just to save your money.

15 page booklet (\$3.99) with no nudity or erotic poses. Just swimsuit and underwear. Not erotic or provocative. Not even worth a dollar let alone \$3.99.

not worth the money! I would really like my money back
